EASTPENN

When East Penn Mfg. began in 1946 in a small, one-room creamery, no one dreamed that we would be one of the world's leading battery manufacturers. What explains our success? We continue to embrace the employees. Employees receive paid holidays/vacation, annual bonuses, and weekly pay. Average wages are \$22 per hour plus opportunities to earn over \$30 per hour for regular full-time production positions. Employees can enjoy an employee referral/retention bonus, group insurance (dental, medical, vision, prescription, and life), profit-sharing/401K, and promotion opportunities.

EAST PENN MANUFACTURING is hiring for:

Industrial Machine Operators
Production Assemblers • 3rd Shift Part-time production
Industrial Maintenance Mechanics
Electrical Maintenance Mechanics
Industrial Delivery/Installation Driver • CDL Class A Drivers
