Victaulic, patented in 1919, is the originator of mechanical pipe joining solutions used in the most demanding markets. With over 2,000 active patents, Victaulic solutions are at work across diverse business lines including oil and gas, chemical, mining, power generation, water and wastewater treatment, commercial building, and fire protection.

At Victaulic Global, our mission is to strengthen our position of leadership in the piping industry. To do this, we need to recruit team members that are innovative, hardworking, and willing to learn. As a member of the Victaulic team, you can enjoy insurance benefits, paid vacation time off and tuition reimbursement, just to name a few.

VICTAULIC is hiring for Second and Third shift positions:

**Electricians (\$27.05)**

**Millwrights (\$25.77)**

**Processor/Assembler Positions (\$19.70)**
