

EMPLOYER TUESDAY

September 14, 2021

Sharp is a global leader in advanced clinical supply chain services and contract pharmaceutical packaging. We offer solutions and support to pharmaceutical and biotechnology clients from Phase I trials all the way through to commercialization and rapid launch. Together, our 2,000+ strong team works from state-of-the-art facilities in the United States, United Kingdom, Belgium, and the Netherlands. Sharp leads the field in contract packaging services and provides innovative packaging solutions on a local, national or global scale from our state-of-the-art sites in the United States and Europe.

ABEC is a premier global supplier of customized process solutions for the life science industry. We add value to our customers through engineering, manufacturing, and services. ABEC is committed to delivering the highest quality products to enable our customers' success while operating according to our Corporate Values: integrity, credibility, knowledge, leadership, responsiveness and flexibility, and long-term partnerships. Our employees enjoy health, dental, vision, life, & disability insurance as well as a 401k with 40% match.
