

SKILLUP™ LEHIGH VALLEY

A METRIX LEARNING SYSTEM IS UNDER CONSTRUCTION

The Commonwealth of Pennsylvania is introducing an online learning system called Metrix Learning to provide Pennsylvanians with access to industry recognized certification courses and a Skill Track that will help ensure your success in the employment market. This, self-paced, flexible E-Learning training system will provide you with access 24 hours a day, 7 days a week. The Skillup™ Lehigh Valley Metrix Learning system provides online tools for you to upgrade skills that local employers recognize. You will explore in-demand occupations and career pathways, view local jobs, register for free online training, and access workforce services; all to help ensure your success in the employment market, and upgrade your skills to prepare you for state licensing exams.
