

# EMPLOYER WEDNESDAY

November 17, 2021

@CareerLink Lehigh Valley • 555 Union Blvd, Allentown

## 9AM - 12PM

In 2006 we were the first to challenge an industry that was the same for over 50 years. We set out to create fresh and healthy food for pets. Food that's closer to its natural state, that's delicious to eat, and makes it easier for pets to digest vital nutrients. Just fresh, whole ingredients, gently cooked without preservatives and kept refrigerated where meats belong. Freshpet is a team that's inspired to be the best by doing what's right. We're rapidly growing, innovating, and collaborating for the good of pets, people, and the planet we all share.

## 1PM - 4PM

There are opportunities available for on-the-spot interviews at Ocean Spray's Employer Wednesday event. Resumes are required! Successful candidates will be asked to do an assessment test scheduled at the Ocean Spray location.
