Business Description

We will grow and prosper, building safe and sound long-term relationships, based on superior service and high ethical standards, while meeting the needs of our customers in a responsive and proactive manner.

We are focused on being the premier bank in Pennsylvania's beautiful Lehigh Valley, by displaying the utmost levels of honesty, integrity, loyalty and respect to our customers, associates, owners and community.

In an effort to make online banking fast, convenient, and safe, American Bank's comprehensive online banking solution provides our customers with an easy-to-navigate, simplified environment. Customers are able to pay bills, transfer funds, view their account register, and so much more, all in real-time! So, if you're not an American Bank customer, experience what so many others already have ... become a member of the American Bank family today!

Knowledge, Skills, and Abilities Needed

We're looking for employees who:

- Are self-motivated and take initiative
- Provide exceptional customer service
- Have excellent communication skills
- Operate with a high degree of confidentiality
 - Work well in a team environment
