Blue Eagle Logistics moves the freight important in your lives to your business or home with friendly, reliable, last mile logistics. From our locations in Allentown, and Scranton, PA, Blue Eagle Logistics offers first and final mile pickup and delivery services both in the Lehigh Valley and Northeastern Pennsylvania.

Customer service is sacred at Blue Eagle Logistics. We make it our number one priority to meet your customers' requirements on time and safely for each and every shipment you trust us to manage.

Blue Eagle's dedicated TSA certified and HAZMAT qualified team has the deep and necessary experience to tailor trouble-free delivery solutions to fit your specific needs for commercial, industrial, institutional, and residential delivery services.

Knowledge, Skills, and Abilities Needed

We're looking for employees who are or have...

- Excellent communication and problem-solving skills
- Strong team players that thrive in a fast-paced environment
 - A flexible schedule
