Brickwork by Bertsch, Inc. has been a mainstay in the Lehigh Valley since 1983. Tim Bertsch started his career as a professional mason in 1975 while still in school as part of a co-op program working with Master Masons.

In 1983 Tim went into business for himself and has become a leading Mason Contractor in the area. Brickwork by Bertsch specializes in Barbecue & Fire Pits, Block Foundations, Brick Garden Walls, Brick Steps & Pavers, Brick Bars and full Outdoor Kitchens, Wet Lay Flagstone, Blue Stone Installations, Soapstone Installations, as well as Commercial Brick and Concrete Block Work.

Another important specialization is Fireplaces. Tim specializes in "RUMFORD FIREPLACES". A Rumford Fireplace produces more heat than a typical Fire Place thus reducing energy waste.

BERTSCH; where art, design and craftsmanship are more than just words. They are our passion
