**Order
Selector**

As a Selector Trainee, you will work individually selecting full-case grocery, frozen, and/or perishable products from warehouse pick slots using a pallet jack or other equipment. You will either use order sheets or an audio headset. You will then fit the items on a pallet (are you good at Tetris?), plastic wrap the bundles, transport pallets to shipping dock and in some cases, load them onto a trailer for delivering to customers. All of our employees are expected to make safety their top priority. Ensure accuracy of work and adherence to production and safety standards. Utilize necessary pick sheet or technology (e.g. voice, scanner) to select product. Operate double walkie-rider or pallet jack to remove case(s) of product from storage rack and place on pallet and stick selection labels to the appropriate cases (not in all cases). Move pallet on an electric pallet jack or walkie-rider until full or order is complete then transport pallets to shipping dock for delivery to retail stores. Use proper wrapping techniques to ensure safety of product to prevent damage and inform supervisor of any differences in case quantity and/or description. Write store number on pallets. (not in all cases). Use battery hoist and change battery, if necessary. Keep work area clean. Complete equipment inspection form.

**Item
Selector**

As an Item/Eaches Selector, you will be responsible for accurate and efficient selection of general merchandise products for shipment to stores. This work is light distribution in a friendly atmosphere where safety is a high priority. Our new warehouse is designed to reduce heavy lifting and involves minimal physical requirements. You can work a variety of part-time shifts to meet your schedule, including weekday and weekend only! Accurately listen to voice commands and select orders from racks or stock. Visually inspect products for damage or improper packaging. Work at a steady pace, correctly identifying and counting items. Place order into totes and place on conveyors. Assist in stocking functions; cutting boxes open and placing into inventory locations. Work in safe and effective manner; keep work area clean and sanitary.
