Business Description

Donegal Square has grown and developed since its opening in February 1985 with our involvement in the foundation of the Celtic Cultural Alliance and the Celtic Classic Festival. Over the years as the business has grown we've added to our product offering included in our brick and mortar retail store as well as our online ecommerce store to include unique celtic gifts, jewelry and sweaters. To enhance our customer experience we also offer a full education program for our team and our customers to teach our community about these celtic artisans, culture and folklore. Our goal is to bring the best of Ireland and the British Isles straight to you, as if you were visiting Ireland with your friends and family...no passport required of course!

This person will be part of greeting and assisting customers on the sales floor as well as educating them on the artisans. They will also be part of developing online and in-store education programs to further the knowledge of the celtic culture to our community.
