FIND OPENINGS: www.DekaCareers.com

Business Description

A private, family-owned company operating the largest single-site, lead battery manufacturing facility in the world.

Our employees are at the heart of what makes East Penn so amazing. That was our philosophy in 1946, and it remains so today. People are the reason we've achieved an annual growth rate that more than doubles the industry average.

East Penn sustains a remarkable culture and supports it through special initiatives, committees, and programs. We remain fully committed to preserving our legacy, heritage, values and all those other defining attributes that make our company so special.

Knowledge, Skills, and Abilities Needed

We're looking for employees who are, can, or have...

- Willing to learn and teach others
 - Work in team environment
 - Good attendance
- Complete work correctly and on time
- Understands and follows all safety and hygiene guidelines
- Good communication skills/read and write proficiently
