

Since 1995, Enter.Net, Inc. has been a technology leader in Lehigh Valley, PA focusing on the sales and service of Web Design, Marketing, and Internet Technologies to clients in the tri-state area and nationwide. Voted Best Web Design for the past 14 years, we have made loyal partners out of thousands of professional businesses and community organizations across the country. Our team of web specialists knows what it takes to create innovative designs that will boost traffic to your site, grow your online presence, and that best represents your brand.

When it comes to the online presence of your business or organization, you want to give the best first impression to anyone who visits your website. With our modern, responsive web design services, you'll have just that. No matter what device it is being viewed from, whether desktop or phone, the websites we design are completely user-friendly. And by getting to know and understand the needs of your industry, we are able to best represent your brand. The web team at Enter.Net are ready to work with you one-on-one to come up with a design that best fits your needs. Get in touch with us today to build your online presence and grow your business.

With in-depth experience in search engine marketing, our web team manages your website's search engine optimization campaign so that people can find your site amongst the competition. Search engines like Google, Bing, and Yahoo index millions of websites, and making sure yours shows up for the right people is our primary goal. By evaluating your website, we are able to determine what needs to be worked on to achieve higher rankings for the keywords and locations that are most relevant to your business or organization. Get in touch with Enter.Net today to boost your website traffic, and most importantly, sales.

Find your target audience where they are: on social media. From Facebook, to Instagram, and Twitter, you can reach out to users and build your brand with an interactive social media strategy. From the initial setup, to regularly weekly posts, we'll keep your social media accounts up-to-date, while highlighting events, special offers, products, and services.
