Business Description

Fidelity Bankers are our most valued asset. As we continue to focus on building deep and lasting relationships, we understand that a great client experience must begin with creating engaged and knowledgeable bankers who are passionate about what they do. Fidelity Bank invests a considerable amount of time and expense in hiring, training, educating, and developing the very best and brightest talent.

Today, Fidelity Bank is 300 bankers strong, each with the expertise and drive to build successful relationships, to create long-term shareholder value, and to deliver success. It is because of our commitment to a set of core values that we continue to succeed – core values that were defined by the Fidelity Bankers. These values are our standard of behavior, inspiring our actions and defining how we operate both now and into the future.

Fidelity Bankers' Core Values:
Act with integrity.

- Build strong relationships.
- Demonstration passion for what we do and who we are.
 - Seek to constantly innovate.
- Stay fully committed to each other, and to all our stakeholders.

We are Fidelity Bank. We are passionate about success and committed to building strong relationships through superior client experiences. We will be the best bank for our bankers to work, our clients to bank, our shareholders to invest, and for our community to prosper.

Knowledge, Skills, and Abilities Needed

We are looking for employees who ...

- Can build and maintain successful relationships.
- Have experience in sales and cross selling of products and services.
 - Strong listening and problem-solving skills.
