JOB OPENINGS: <https://recruiting.ultipro.com/HEA1025HRTL>

Inventory Clerk

High School Diploma or G.E.D. equivalent required. An Inventory Clerk assists in ordering and stocking the medications. This includes receiving and stocking items into the system daily, rotating product on the shelves, and checking for outdates. Inventory Clerks must have good attention to detail and the ability to work independently. Previous pharmacy and/or inventory experience preferred. Pay starts at \$14.50 per hour.

Control Room Technician

High School Diploma or G.E.D. equivalent required. Control Room Technicians are responsible for accurately filling, sorting, and shipping controlled-substance. This also involves maintaining perpetual inventory logs. Control Room Technicians must have good attention to detail and strong basic math skills. Previous pharmacy experience preferred. Pay starts at \$14.50 per hour.

EDK Pharmacy Technician

High School Diploma or G.E.D. equivalent required. EDK Pharmacy Technicians are responsible for accurately filling, sorting, and shipping medications in the emergency drug kit. EDK Pharmacy Technicians must have good attention to detail and the ability to work independently. No experience necessary. Pay starts at \$13.50 per hour.
