Area Code 610

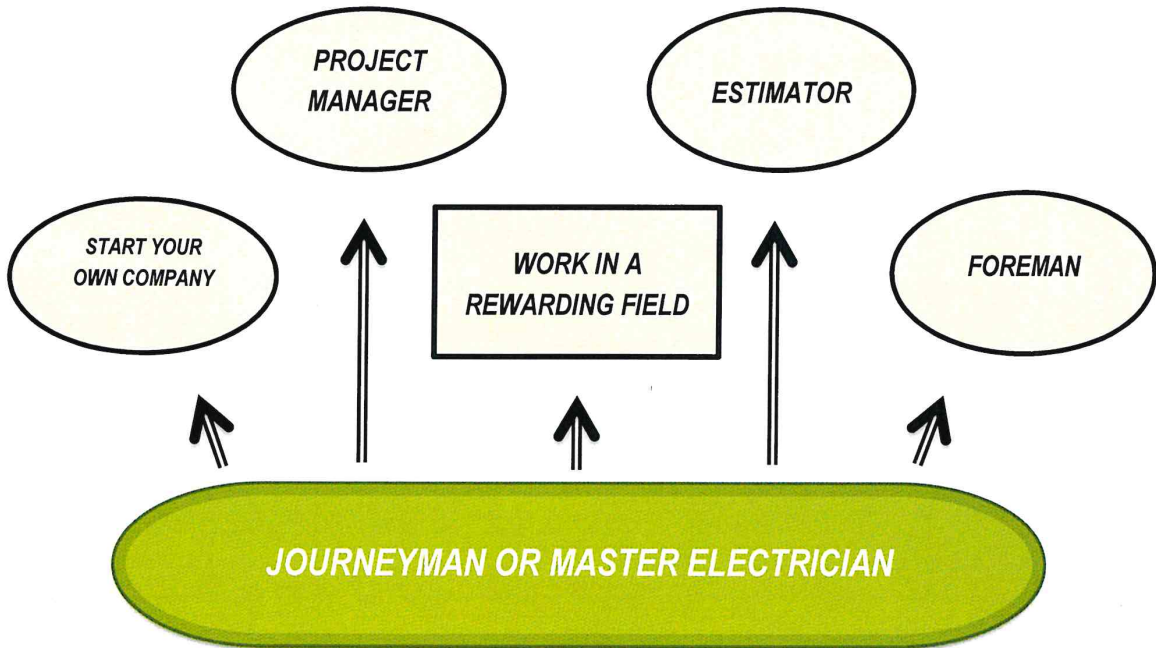

IBEW Local 375 has been serving the Lehigh Valley for the last 104 years . The apprenticeship program is the backbone of our industry and has trained thousands of local electricians in a trade and a career. Everytime you turn on the lights, connect to the internet, or step foot in one of the many businesses around the Lehigh Valley, an IBEW/ NECA trained member helped build or maintain the many aspects of our daily life.

Please take the time to flip over this hand out and see the many possibilites there are for electrical workers in construction. If you are a hard worker, enjoy learning new things, and you are willing to help shape the Lehigh valley for the next 100 Years then the IBEW along with our NECA contractors will help you be successful in the Electrical Industry.
