Jurin Roofing Services, Inc. has been a leader in the roofing industry since 1974 providing only the highest quality services for our clients. It has always been our philosophy to create partnerships with our clients and assist in managing their roofs as assets. We work with building owners and managers through various services that help our clients control their costs while getting the most value from their building. Jurin Roofing was founded in 1974 by owner Eric Jurin as a one man show with a pick-up truck. From these humble beginnings to our over 7 million in sales a year operation today, one thing has never changed...our commitment to quality service, employee growth and customer education.
