

PRODUCTION MANAGER CAREER PATHWAY

5160 Main St., Whitehall, PA 18052

FIND OPENINGS: <https://www.lafargeholcim.us/careers>

Business Description

With a strong presence by Lafarge and Holcim in the United States, the LafargeHolcim family of companies is the number one building materials and solutions provider in the world and the leading cement producer in the United States. We are uniquely positioned to address domestic demand, and offer an unparalleled range of innovative and sustainable cements, aggregates, asphalt and concrete products, and construction services that have been the foundation for infrastructure projects across the country.

Our values are built on a continuous focus on health and safety. The health and safety of our employees, contractors and the communities in which we live and work is paramount, and is embedded in everything we do.
