### Business Description

Northampton's neighborhood pharmacy, Newhard Pharmacy, was established somewhere around 1895. In 1969, John A. Pavis and Peter J. Stahl purchased the pharmacy from Aaron Newhard. Newhard Pharmacy has been a fixture on Main Street since its opening, changing facilities as the business grew and ownership changed. Today, John J. Pavis is the sole owner, purchasing the business from Mr. Stahl and his father.

Newhard Pharmacy is a full service retail & long term care pharmacy as well as a full service convenience store with a wide range of diabetic shoe fittings and accessories, home health products, athletic braces, vitamins, supplements, gifts, greeting cards, lottery, and sundries. Our mission is to be an affordable and accessible provider of home health to our community by demonstrating our commitment to excellence and customer service as a reliable partner to the health care community. We strive to be truthful, fair, build good will and friendships while engaging in business that is beneficial to all concerned.
