Career Pathway Business Description:

Via of the Lehigh Valley is a non-profit agency that provides services for children and adults with disabilities in the Lehigh Valley area. Our team helps individuals of all ages gain life skills, develop friendships, and learn how to take advantage of all the community has to offer; this includes helping adults find and sustain employment within multiple industries and service sections. Programs for young adults focus on networking with peers and gaining vocational skills in preparation for life after graduation. In addition to providing a variety of high-quality programs, Via also advocates for inclusion and equal access to community activities.

Via's mission is to help people reach their full potential through a rewarding career, meaningful relationships and an enriching community life. Via creates pathways to success through vocation, inclusion and advocacy. We envision a time when all people have equal access to developmental and educational services, meaningful friendships, a rewarding career and a satisfying retirement. Via operates and values people, growth, teamwork, community, diversity, shared ideas and advocacy.

Skills Required to Succeed:

To be successful in the roles at Via one must have a genuine interest or passion for working with individuals with disabilities. Via's positions require employees to be team players, self-motivated, and independent as well as have the ability to work in a variety of settings and function in an ever-changing environment.
